

**Parent Bulletin – Friday 22<sup>nd</sup> March 2024**

We've had another great, eventful week at Low Moor! Yesterday morning, we enjoyed a whole school Easter Worship in school, led by Rev. Albert and joined by Mr and Mrs Hardy and Mr and Mrs Twentyman.

We would like to share the lovely prayer that Rev. Albert also shared with the children yesterday:

*God, we gather here today with open hearts and grateful spirits, seeking your blessing upon these pebbles. As these small pebbles rest in our hands, may they become vessels of your love, joy, and wisdom.*

*Bless each pebble with kindness, that as they are carried away by the hands of children, they may serve as a reminder of the beauty found in simple acts of love.*

*May these pebbles be a source of comfort to those who hold them. May they spark imagination and creativity, in all who are searching for peace, justice, joy and love. Give these pebbles the power to connect us to each other, as they pass from hand to hand. May they create bonds of friendship and community that endure through time.*

*We ask for your blessings upon those who receive these pebbles. May they be filled with joy, curiosity, and a sense of belonging. May they carry your blessings into the lives of all who hold them.*

*As we take our pebbles with messages of love and hope, travel with us on the journey so that we may be your eyes, your ears, your voice your hands and feet. Amen.*

Following the Easter service, all the children delivered their friendship stones to our local cenotaphs – The Guidepost, Low Moor and Harold Park. If you have chance to visit these over the holidays, you will hopefully be able to see the children's wonderful creations. Thank you to our PTFA volunteers who were able to support with the walks yesterday, and to our friends at Aldersgate Methodist Church, as this project originated from them and would not have been possible without their kind support. Please see our Twitter/X page @LowMoorCofE to see more photographs of the children's wonderful creations.

And of course, this week has seen the return of our eggs-citing Easter egg competition! We've had some eggs-cellent entries this year, the children have eggs-celled themselves which has made it eggs-tremely difficult to judge! There were lots of prizes given out, all the winners were announced yesterday. Well done to everyone who entered.

May we take this opportunity to wish you all a lovely Easter holiday. Thank you to all our parents and carers for your continued support.

**Supporting children and young people with SEND**

Internet Matters have a great range of guides and advice hubs available for parents of neurodivergent children including connecting and sharing online, online gaming and more. You can access all the guides [here](#).

"While every child and young person's experience of the online world is unique to them, based on research, there are some online risks that children with SEND may be more likely to experience.

In the guides, you'll find practical tips on how to approach conversations about these potential risks to stop them from turning into harm. We've also provided links to other expert resources that can help and tools that are available to create a safer digital space for children to explore and interact."

## **This Week's Notices and Reminders**

### **Turn on the Subtitles**

You may already have heard about a new literacy campaign TOTS – Turn on the Subtitles. This relatively new campaign is trying to raise awareness amongst parents that turning on the subtitles for their children will improve their literacy, in many cases, dramatically.

“Turning on quality subtitles means your child will read a staggering number of words. Put them on and your child will read the equivalent number of words that are in all the Harry Potter books, all of the Lord of the Rings, all of the Chronicles of Narnia and everything Roald Dahl wrote, combined!

Research has shown that it can double the chance of your child leaving school as a proficient reader.

Perhaps, after all, there is a magic button....”

For more information on TOTs, please visit <https://www.turnonthesubtitles.org/>

### **Emilia's letter to the Prime Minister**

Well done to Emilia, in 4 Explore, who recently took the time to write to the Prime Minister! Emilia wanted to share her concerns, after a lesson on deforestation and the impact on Orangutans and their habitat. In response, Emilia received a comprehensive letter from 10 Downing Street! [Click here](#) to read the letter in full. Very well-done to Emilia for demonstrating such compassion and care!

### **Out of School Activities**

### **Homework Expectations UKS2**

In Year 5 and Year 6, children will receive homework each week and this will be issued on a Wednesday. In order to prepare them for secondary school effectively, we need to instil in our pupils a sense of responsibility and independence in relation to homework. Therefore, your child's homework should be returned to school by the following Monday each week.

We acknowledge and understand that on occasions your child will forget their homework, therefore children will have a second opportunity to bring their homework on the Tuesday. If homework is not completed each week by the Tuesday, your child will be expected to complete their homework during Wednesday break time.

Thank you in advance for your support with these measures.

### **Foodbank Donations**

Beginning next week, every Wednesday, we will be accepting foodbank donations on behalf of Holy Trinity church, to support them with their ongoing work collecting for the local foodbanks. We will have a drop off point outside the main office, before and after school, all donations will be gratefully received. Thank you in advance.

### A Parent's Guide to Cyberbullying

**Many young people who are victims of cyberbullying suffer in silence.**

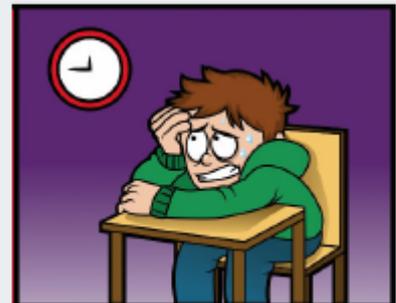

They feel they can't turn to parents or a trusted adult for support as they fear they may get in trouble or have their devices taken away from them. It can carry on all day, all evening and all weekend for the world to see, causing a lot of emotional stress to the victim and their family.

scan the QR code with your phone's camera for Parent Guides on how to help keep your children safe online

**It can very quickly lead to the victim feeling trapped, scared and vulnerable to grooming and blackmail.**

**Online safety is when young people know who they can tell if they feel upset by something that has happened online.**

**Parents** please contact your school to enquire attending their next e-safety workshop or have any concerns.
